Features Limits

There is no limitation to the features list above and you can create, edit or delete any record at any time as much as you need to.

Broadcasts

At the moment all broadcasts are publishing trough emails but in coming future we've plan to join WhatsApp and other channels as well.

Payments

Payment to rent ISchool application is IDR 600.000 / Month regardless of your school size. This price is included with TAX.

Payment dead-line

Dead-line of monthly fee is 7 days. Which means you have to transfer the fee between date 1 to date 7 of each month.

Discounts

In case you're planning to pay multiple months at once you can get discount between 2 to 5 percent of the total amount.

Trial

Each school by default gain 30 days free trial when they join ISchool in order to test the system. Trial duration is absolutely FREE with all features access. You can add your school members and data including teachers, students, parents, etc. and try the system.

After 30 days of trial duration your access to the system and your data will be limited due to the payment requirement (this will apply payment dead-line terms).
Availability
